

The Primary PE and sport premium

Planning, reporting and
evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2024/2025)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

| Activity/Action | Impact | Comments |
|--|--|---|
| Complete PE app rolled out across school. | Teachers planning and delivering high quality lessons supported by useful age appropriate resources and support. | Further develop provision in 2025-26 |
| Cross Country hosted here at school | Children allowed access to competitive sport against other schools. | Opportunities to develop competitive access in 2025-26 |
| Volleyball links created with Stourbridge Volleyball club and other local primary schools. | Children given chance to access a sport they might not usually and look to joining outside club. | Continue to look for these opportunities. |
| Cradley Town football club link fostered. | Given children chance to take part in sessions and explore outside links with well known local club. | Continue to foster link, Cradley Town due to use school grounds. Explore further links with local sports teams. |

| | | |
|-----------------------------|--|--|
| <p>Subsidised swimming.</p> | <p>Children attending swimming sessions this year have been able to use the new facilities at Sandwell Aquatics Centre.</p> <p>In the Summer term, the group of children attending the sessions were those identified as needing further lessons based on previous sessions.</p> | |
|-----------------------------|--|--|

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

| Action – what are you planning to do | Who does this action impact? | Key indicator to meet | Impacts and how sustainability will be achieved? | Cost linked to the action |
|---|---|---|---|---------------------------|
| Introduce lunchtime sport sessions/activities for pupils. (With focus being on engaging inactive) | <p>Training for lunchtime supervisors / teaching staff to run clubs</p> <p>Pupils – as they will take part.</p> | <p>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> | More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities. | £5218 |

| | | | | |
|--|---|---|--|---------|
| Introduce lunchtime sport sessions/activities for vulnerable pupils. | Staff Pupils – as they will take part. | <p>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> | <p>Encouraging targeted children to express their feelings and emotions in a constructive way through games/sport.</p> <p>Allowing them to build self-esteem and confidence.</p> | £458.80 |
|--|---|---|--|---------|

| | | | | |
|---|--|---|---|-------------|
| <p><i>Purchasing and launching Complete PE app across school.</i></p> | <p><i>Staff – increased subject knowledge and confidence. Access to online CPD.</i></p> <p><i>Pupils – Access to broad and engaging curriculum with useful age-appropriate resources to support and stretch.</i></p> | <p>Key indicator 1 – Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key Indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> | <p>Teachers to be upskilled in areas of PE covered.</p> <p>Access to online CPD.</p> <p>Children to have a positive experience of PE that they will carry forward with them.</p> <p>Children encouraged to challenge themselves in terms of their PE.</p> | <p>£500</p> |
|---|--|---|---|-------------|

| | | | | |
|---|---|--|--|-----------------|
| <p>Investing in PE equipment over the course of the year.</p> | <p>Staff – Will have the correct resources in order to teach effective, age-appropriate PE lessons.</p> <p>Pupils - Will be able to use the correct equipment to fully immerse themselves in the game/sport and develop the necessary skills effectively.</p> | <p>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> <p>Key indicator 5: Increased participation in competitive sport</p> | <p><i>Staff – to be able to deliver high quality lessons with appropriate resources.</i></p> <p><i>Develop their confidence with using some sport/game specific equipment for future lessons.</i></p> <p>Children to have a positive experience of PE that they will carry forward with them.</p> <p>Children encouraged to challenge themselves in terms of their PE.</p> <p>Children can take their positive experience to join outside clubs.</p> | <p>£6269.83</p> |
|---|---|--|--|-----------------|

| | | | | |
|---|---|--|--|--------------|
| <p>To subsidise swimming costs to allow all children in chosen year groups to access this part of the curriculum.</p> | <p>Pupils – All pupils in chosen year groups, regardless of background and circumstances can access this area of the curriculum.</p> <p>Staff – Will be able to support their classes in this area of their learning.</p> | <p>Key indicator 1 – Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> | <p><i>Staff – To develop their own swimming CPD by supporting or leading sessions alongside trained instructors.</i></p> <p><i>Pupils – Have the opportunity to develop their all important swimming skills.</i></p> | <p>£2976</p> |
|---|---|--|--|--------------|

| | | | | |
|---|---|---|---|-----------------------|
| <p>Fund entry into competitions as well as funding transport to attend.</p> | <p>Staff – Will have the chance to take their children to events to engage or challenge them, depending on the type of competition it is.</p> <p>Pupils – Selected children, regardless of ability, will have chance to access some type of competition in a range of games/sports.</p> | <p>Key Indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> <p>Key indicator 5: Increased participation in competitive sport</p> | <p>Children to take their positive experiences of competitive sport to improve engagement in lessons.</p> <p>Also use these experiences to join outside clubs or try to compete in other events too.</p> <p>Staff to gain experience of competitive situations to take ideas back into their own lessons.</p> | <p>£4870 £298</p> |
|---|---|---|---|-----------------------|

| | | | | |
|---|--|---|--|-------------|
| <p><i>PE Focus day – chance for Subject Lead and SLT to look at PE across school.</i></p> | <p><i>PE Lead and SLT – Allows them to be able to look at PE across the school in terms of lessons drop ins and looking at assessments and evidence on apps used.</i></p> <p><i>Gives insight to WWWs and EBIs.</i></p> <p><i>Staff – Allows them opportunity to demonstrate their skills and ask questions in an actual lessons etc.</i></p> <p><i>Allows them feedback and support in terms of where additional resources CPD can be found.</i></p> <p><i>Pupils – Will provide them with even better lessons and experiences going forward as staff work collaboratively and share best practice.</i></p> | <p>Key indicator 1 – Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>Key Indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement</p> | <p>PE Lead – Gain experience of PE across school to inform future lesson preparation as well as support and challenge.</p> <p>SLT – Gives an idea of next steps to maintain and improve levels of PE across school in moving forward.</p> <p>Pupils – Children continuing to receive high quality PE teaching.</p> | <p>£200</p> |
|---|--|---|--|-------------|

| | | | | |
|---|--|--|---|-------------|
| <p>To continue to develop links with outside clubs and organizations.</p> | <p>Staff – Develop networking opportunities for sport/club links.</p> <p>Pupils – Have access to a range of outside sport clubs/organisations.</p> | <p>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key Indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> | <p>Links to be developed and fostered for future years and children.</p> <p>Children to possibly find a passion for a sport they may not have accessed previously.</p> <p>Club pathways shown to children to allow them to take interest forward.</p> | <p>£260</p> |
|---|--|--|---|-------------|

Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

| Activity/Action | Impact | Comments |
|--|---|--|
| Complete PE app rolled out across school. | Teachers planning and delivering high quality lessons supported by useful age appropriate resources and support. | Further develop provision in 2025-26 |
| Cross Country hosted here at school | Children allowed access to competitive sport against other schools. | Opportunities to develop competitive access in 2025-26 |
| Volleyball links created with Stourbridge Volleyball club and other local primary schools. | Children given chance to access a sport they might not usually and look to joining outside club. | Continue to look for these opportunities. |
| Cradley Town football club link fostered. | Given children chance to take part in sessions and explore outside links with well known local club. | Continue to foster link, Cradley Town due to use school grounds. |
| Subsidised swimming. | Children attending swimming sessions this year have been able to use the new facilities at Sandwell Aquatics Centre. In the Summer term, the group of children attending the sessions were those identified as needing further lessons based on previous sessions. | |

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

| <u>Question</u> | <u>Stats:</u> | <u>Further context</u> <u>Relative to local challenges</u> |
|--|---------------|--|
| What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres? | 58% | This year we have had to, again, move venues due to issues with the facilities/building at our previous one. Need to continue with one venue for consistency. |
| What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]? | 57% | Range of different swimming abilities within catchment area - depending on year group. |

| | | |
|---|-----|---|
| What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations? | 49% | |
| If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this? | Yes | In the Summer term, the group of children attending the sessions were those identified as needing further lessons based on previous sessions. |
| Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety? | Yes | Staff have been present and supported the instructors when delivering lessons to upskill themselves. |
